B. STATEMENT OF CLAIM

On the space provided on the following pages, tell:

1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

On 9.13.18 I was seen by Dr. Weber at Taycheedah Correctional for lower lumbar pain. my back was in severe pain. After complaining for weeks I still did not receive a proper exam. Dr. Weber ignored my pain level and Denied me an x-ray of my back and a MRI. After seeing "NP" Mrs. Mary Lemmenes she Diagnosed me with bursitis; but refused to Order a MRI. After giving me the injection into my right bursa I still felt back pain and Dropped multiple slips to be seen with NO results or answers. The

Dated Times are 9.13.2018 and then 10.11.18
I was seen by Dr. Weber and again on 9.28.18
by Mary Lemmenes. This took place in the
care of the Department of Corrections in
the state of Wisconsin. I was told that
the reason why I wasn't receiving a
X-Ray or MRI was, because the medical
staff were professionals and knew what
they were doing. Now due to the fact
of them not taking precautions and
making a final diagnosis I will be in
pain for the rest of my life, because I
experienced a fracture to my back and
I've gain almost 50lbs from the time
of my injury or maybe more. I weigh
255lbs and since then have started taking
medication due to severe depression & pain I
am on cymbalta for ache's and severe
pain prescribed by my psych. Doctor; because
HLSU staff has'nt giving me proper pain meds.

Complaint - 3 ("continued")

Due To the Negligence of Not making a proper Diagnosis and ruling Out anything Serious by Doing a X-Ray or MRI, I am stuck in pain unable to sit, stand or walk for long periods of time. I am scheduled to go off of Grounds To see a Neurosurgeon as a part of my Discharge instructions given by the Medical Doctor from the Emergency room on 8.20.19

I am seeking pain and suffering as the the Severe weight change since injuring myself and being able to perform Normal movement and activities as usually Done. Before my injury I played base ball & Basketball as well as volleyball, and Kick ball. I've always been athletic since a young child. Now I am Down alot; because of the lack of ability to do what I love to do.

Sincerely, M. J. White
